**Sub: Implementation plan for Regulation of Power Supply (RPS) to MB Power as per the RPS Notice issued by Power Grid Corporation of India Ltd**

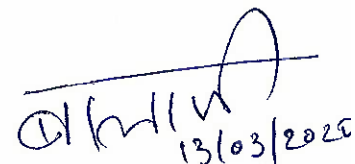

Ref:

1. POWERGRID regulation of power – notice(s) dated 14.02.2020, 26.02.2020 & 13.03.2020

Sir/Madam,

CERC (Regulation of Power Supply) Regulation, 2010 एवं Power Grid Corporation of India Ltd (POWERGRID) के विद्युत आपूर्ति नियमन (Power Supply Regulation) की सूचना 'CC/Comml/ROP-MB Power/2020' दिनांकित 14.02.2020, 26.02.2020 & 13.03.2020 के अनुसार MB Power (Madhya Pradesh) Limited को 17.03.2020 के 00:00 बजे से विद्युत आपूर्ति नियमन (Power Supply Regulation) के संबंध में योजना कार्यान्वयन (Implementation Plan) संलग्न है। यह योजना WRLDC की वेबसाइट 'www.wrldc.in' पर भी उपलब्ध है। यह आपके सूचनार्थ एवं आवश्यक कार्यवाही हेतु प्रस्तुत है।

संलग्नक: यथोपरि

  
13/03/2020  
V. Balaji

Chief General Manager

## Implementation Plan for Regulation of Power Supply (RPS)

To: M/s. MB Power (Madhya Pradesh) Limited.

By: Power Grid Corporation of India Ltd.

Message No.: WRLDC/MO/RPS/PG-MB Power/2020

Date: 13.03.2020

Regulating Entity: Power Grid Corporation of India Ltd. (Transmission Licensee)

Regulated Entity: MB Power (Madhya Pradesh) Limited

Regulation Notice: POWERGRID notice dated 14.02.2020, 26.02.2020 & 13.03.2020

Date & Time for Commencement of Regulation: 00:00 hours of 17.03.2020

Effected drawee entities due to Regulation on the generating station (MB Power (Madhya Pradesh) Limited): Uttar Pradesh

Table 1: Inter Regional corridor wise regulation of power supply proposed by POWERGRID:

1. Total Quantum of Power to be Regulated	100 MW of power injected by MB Power (Madhya Pradesh) Limited. to ISTS Network shall be regulated as under: on WR-NR Transmission Corridor			
2. Beneficiary wise reduction in drawal schedule due to regulation of power supply	Beneficiary/ Region	Quantum as per PPA and LTA/ MTOA in MW (A)	Total Quantum(MW) to be regulated as per POWERGRID Notice (B)	Quantum(MW) to be scheduled after Regulation Subject to requisition from MB Power (Madhya Pradesh) Limited. (C=A-B)# in MW
	Uttar Pradesh (NR)	361	100	(361#- 100) = 261

# Existing LTA with Uttar Pradesh (361 MW) ;  
In addition to above, regulation of STOA power would be implemented for MB Power

<b>3. Regulation of Power Supply (Effective Date &amp; Time)</b>	➤ RPS shall commence with effect from <b>00:00 hrs. of 17.03.2020</b>
<b>4. Period of Regulation of Power Supply</b>	➤ Till the following conditions are satisfied: i. Initially for 2 months or ii. Till clearing of the entire dues outstanding for more than 60 days
<b>5. Source of Regulation of Power Supply</b>	➤ The Generating Station of MB Power (Madhya Pradesh) Limited. located in Madhya Pradesh

### Regulations/Orders of the Hon'ble CERC:

1. CERC (Regulation of Power Supply Regulations)-2010 dated 28.09.2010. Regulation 10 of the above CERC regulation for concurrent regulation read along with the corrigendum No. L-1/42/2010-CERC issued on 5th September 2011.
2. CERC Order dated 02.09.2015 in Petition No 142/MP/2012

## Scheme of Regulation :

### 1. Back ground :

- a. Power Grid Corporation of India Ltd (POWERGRID) has proposed 100 MW of Power Supply Regulation w.e.f. 00:00 hrs. of 17.03.2020 from MB Power (Madhya Pradesh) Limited., a generating station located at Madhya Pradesh, in Western Region vide its notice dated 14.02.2020, 26.02.2020 & 13.03.2020.
- b. POWERGRID has submitted through an affidavit to indemnify, defend and save the SLDC, RLDCs (WRLDC & NRLDC in the instant case) harmless from any and all damages, losses, claims and actions, demands, suits, recoveries, cost and expenses, court costs, attorney fees, and all other obligations arising out of or resulting from the regulation of power in terms of the regulations to its procurers listed at 1(a) above. This indemnification is in line with section 5 of the CERC (Regulation of Power Supply) Regulations and paragraph 13.9 of the Statement of Reasons for these regulations.

### 2. Regulation:

This regulation of 100 MW will be effected from 00:00 hrs. of 17.03.2020. The regulation shall continue till the time as stated at Table-1, under the field "Period of Regulation" or up to an earlier date if default is rectified which would be communicated by the regulating entity to WRLDC in line with the CERC Regulations. The regulation will be implemented by reducing the scheduled generation of MB Power and drawl schedule of corresponding beneficiaries as per Table -1. Uttar Pradesh SLDC will regulate drawl schedule for the respective intra-state entities. WRLDC would regulate injection schedule of MB Power (Madhya Pradesh) Limited.

### Scheme:

- i) Scheduling in RLDCs is carried out through Web Based Energy Scheduling Software, hereafter called as WBES. As per the existing procedure, MB Power (Madhya Pradesh) Limited. is punching the mutually agreed quantum between MB Power (Madhya Pradesh) Limited. & UPDISCOMs (Uttar Pradesh) in the WBES portal of WRLDC & Uttar Pradesh SLDC is entering the mutually agreed quantum in WBES portal of NRLDC, maximum up to the LTA/PPA quantum as mentioned in Table-1 above.
- ii) During regulation of power supply period, WRLDC shall restrict the scheduled injection as per the quantum given in Table-1 above.
- iii) NRLDC shall restrict the drawl schedule to Uttar Pradesh up to the quantum as mentioned in Table-1 above.
- iv) Uttar Pradesh SLDC would work out the DISCOM-wise entitlement from the figures communicated by WRLDC / NRLDC and forward the same to their DISCOMs.
- v) Those DISCOMs would restrict their requisition to the restricted quantum as per the Table-1. Uttar Pradesh SLDC shall ensure the same.
- vi) Uttar Pradesh SLDC would aggregate such requisitions (in MW) for issuing drawl schedule.
- vii) MB Power (MP) Ltd. & UP SLDC shall ensure the entry of mutually agreed quantum in their respective WBESs of WRLDC & NRLDC, maximum upto the quantum to be scheduled after regulation as mentioned in Table-1 above.

Save Energy for Benefit of Self and Nation

*K. Prakash*  
13/03/2020

- viii) WRLDC, NRLDC shall incorporate the mutually agreed quantum provided by MB Power (MP) Ltd. maximum upto the quantum to be scheduled after regulation as mentioned in Table-1 above.
- ix) Further no injection through STOA by MB Power (Madhya Pradesh) Limited. shall be permitted during the period of regulation as per the CERC order dated 02.09.2015 in petition no 142/MP/2012.
- x) The corridor released due to Regulation of Power Supply (i.e. 100 MW) on WR-NR corridor) shall be considered for processing other STOA applications on day ahead / contingency basis as per the extant regulations of Hon'ble CERC.

### 3. Grid Security aspect:

WRLDC/NRLDC and the concerned SLDCs would closely monitor the system parameters during the period of power supply regulation and would take prompt action to maintain the grid parameters within IEGC limits. In case of over-drawl by the defaulting entities, the SLDC would take prompt action to curtail the over-drawl for safe operation of the grid. All the entities including regulating and regulated ones, would take prompt action in respect of grid security and on instruction from WRLDC, NRLDC, & the concerned SLDCs. WRLDC/NRLDC may defer this implementation plan for regulation of power supply in case of any grid security related issue in line with Regulation 11(2) of the CERC (Regulation of Power Supply), Regulation, 2010.

### 4. Power Supply to essential services:

SLDC of Uttar Pradesh will ensure that power supply to sensitive/important installations like defense, mines, medical, water-supply, aviation, railways, installations of national importance etc. are not affected on account of this regulation. Further Uttar Pradesh SLDC shall ensure that there is no impact on international agreements and other sovereign obligations.

### 5. Deferment / Withdrawal of regulation:

Regulating Entity proposing to withdraw / postpone the regulation, shall inform at least **two days** prior to the proposed day of withdrawal or postponement of such regulation as per the regulation 9 of CERC regulations.
